63. "21. Education-10-Miscellaneous—Adult Education" by transfer from "41-Miscellaneous—F-2-N. W. F.—other charges

Rao Sahib I. N. Menon *(Director of Public Instruction):* I move that a sum of Rs. 777 under "21-Education-10-Miscellaneous—Adult Education" by transfer from "41-Miscellaneous—F-2. N. W. F. Other charges".

The Adult Education Classes which were being conducted under the auspices of the National War Front were transferred to the Education Department this year with the discontinuance of the National War Front Movement in the State. An allotment of Rs. 864 had been specially ear-marked in the Budget of National War Front for expenditure towards Adult Education in 6 centres at Rs. 12 each per mensem. Now that Adult Education has been transferred to the Educatin Department. The un-utilised portion of the allotment in the National War Front Budget has to be transferred to a new head "Adult Education" to be opened in the Education Budget. The unutilised portion is Rs. 777.

Hence the transfer of allotment has become necessary. I request the transfer may be granted.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know whether the Hon'ble Member has got any scheme of Adult Education.

Rao Sahib I. N. Menon *(Director of Public Instruction):* Well. Certain schemes of adult education were envisaged by the Code Revision Committee and I have also had under contemplation the system of adult education to suit our needs and habits and that also is being considered and it is hoped that with the inauguration of the new code the new system of adult education will also be put into execution. This same is included in the National War Front. Now that the Department is abolished it is left over. It can be very usefully utilised by the Education Department.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* This is too little an amount.

Rao Sahib I. N. Menon *(Director of Public Instruction):* There is no reason to lapse it. The Education Department has taken over the adult education from the National War Front.

Mr. President: What do you propose to do with it? Explain to the House.

Rao Sahib I. N. Menon *(Director of Public Instruction):* The only point is this. The recommendations of the committee are still under consideration and no conclusions have been arrived at. What the National War Front has been doing, I can inform the House, probably it is well known.....

Mr. P. President: You can tell the House what you are going to do in this particular scheme.

Rao Sahib I. N. Menon *(Director of Public Instruction):* We are to some extent going to continue the activities of the National War Front in this way: We are going to have this adult education classes under two heads. Namely education of completely illiterate adults and the
